KRS-One Lyrics

"Doth Thou Know"

[KRS-One]

Thou knowest not what thou sayeth in speech?
Doth thou know what thou teacheth to each?
From thine own mouth, thy corrupt thine own house
Thy corrupt thine siblings and thine own spouse
Satan has hold of thy spirit
So evil has hold of thy lyric
Whomsoever shall hear it shall adapt it
And walk the talk of evil just as ye rapped it
But I cometh forth today to say thus
Evil is an illusion, in GOD we trust
In Satan we lust
Coveting thy brother's vehicle while riding the bus
Feeling unjust
Trust not sinners in the flesh they aren't winners
But in the spirit they art children, beginners
Eat not of the dinner they serve
Seek the experienced MC, not the beginners in word
